A SPECIAL JOB!

Being a professional soccer player is a very interesting job.

Some people think that soccer players only kick a ball around, but that is not the only thing they do. They usually must follow a strict diet, do lots of exercise and visit doctors regularly to prevent injuries.

They also have to receive instructions from coaches and other staff and discuss their performance after every game. Soccer players must be able to work in teams, make decisions and solve problems fast. Anything can happen during a game!

Some football players even become celebrities, and have to go to events, represent their clubs, meet with members of the press and participate in charity events.

Every job is a complex world, but there is no doubt that soccer players really like their occupations!

Don't be late

Paul wakes up early, at half past six, but he never gets up immediately. He watches TV. But, then he is late. He is always late. Why does time always go so fast? Time always goes too fast. He looks at his watch, it's seven o'clock. It's time to get up! He has to leave in 10 minutes. So he turns off the TV and goes into the bathroom. He shaves his face. He brushes his teeth. He goes into his bedroom. He gets dressed. He looks at his watch again when he leaves home. It's half past seven. He has to hurry.

He goes out to his car. He drives fast, but he slows down at a stop sign. A police officer sees him and gives him a ticket! "Why don't you stop at the stop sign?" the police officer asks. "But officer, I am in a hurry," he answers. The police officer gives him the ticket and says, "leave home earlier next time."

Meals around the world

- 1 People eat a variety of food at different moments of the day. Each country has its own main meal. Breakfast is usually the most important meal in many countries, but dinner is also the perfect moment to be with family and friends. However, in countries like Russia and Chile, lunch is the main meal of the day.
- 2 Meat and potatoes of various styles dominate dinner plates in the USA. Some other good examples are burgers and French fries, fried chicken with mash potatoes or steak with baked potatoes.
- 3 Some countries have a national dish which tourists cannot miss! Brazil's typical dish is *Feijoada*- a stew made with pork and beef, served with rice. In other countries, there is a mixture of flavors. For example, the food in Jamaica mixes ingredients from Spain, the UK, Africa, India and China.
- 4 It does not matter if it is breakfast, lunch or dinner; a good meal is always a good moment to celebrate and share.
