- I. Read the following text called "A Football Game". Answer questions 1-6 with TRUE (T) or FALSE (F) (6 points)

**The Football Game**

Yesterday my brother and I went to see a football game. We watched our two favourite teams, the Eagles and the Hawks. It was the second week of the season and the day was much **colder** than the week before. We arrived at the stadium at 11:30 am, which is a little **earlier** than usual. We were excited because I love the Hawks and he loves the Eagles.

The seats were good, but I wanted something **closer** to the field. However, we sat and enjoyed the game. Well, we enjoyed it until we started arguing. My brother and I both think our team is **better** than the other team. He always says to me that the Eagles are **faster, stronger, and smarter** than the Hawks. I never agree. On this day, he was wrong. The Hawks played a lot **better** than the Eagles. They looked **stronger** and **tougher** than the Eagles. They won by 15 points.

One thing I didn't like was that the food and drinks were much **more expensive** than other places, and tasted much worse. I was surprised that a hot dog cost \$7, which is **more expensive** than the \$3 I pay outside the stadium. Also, the hot dog was **smaller** than normal hot dogs. So I was a little sad about my meal, but I planned to get something **tastier** after the game.

Driving home I talked about how much **better** my team was than the Eagles. My brother was getting angry, and I noticed he was driving a lot **faster** than usual. We were lucky he didn't crash. Finally he saw a police car so he started to drive **slower**. We arrived home at around 7:00 pm, which is **later** than normal. Usually we get home at about 6:00 pm.

Overall, it was a great day. I love going to the game with my brother. Even though we argue, I wouldn't want to watch the game with anyone else!

3. The Eagles played worse than The Hawks .
